# Bike Trip in P'tit Train du Nord

Nico's Expert of the Week Day 1

My mom, dad, sister, and me, and our friends Chris and Jen!

Our route! In Quebec, Canada!

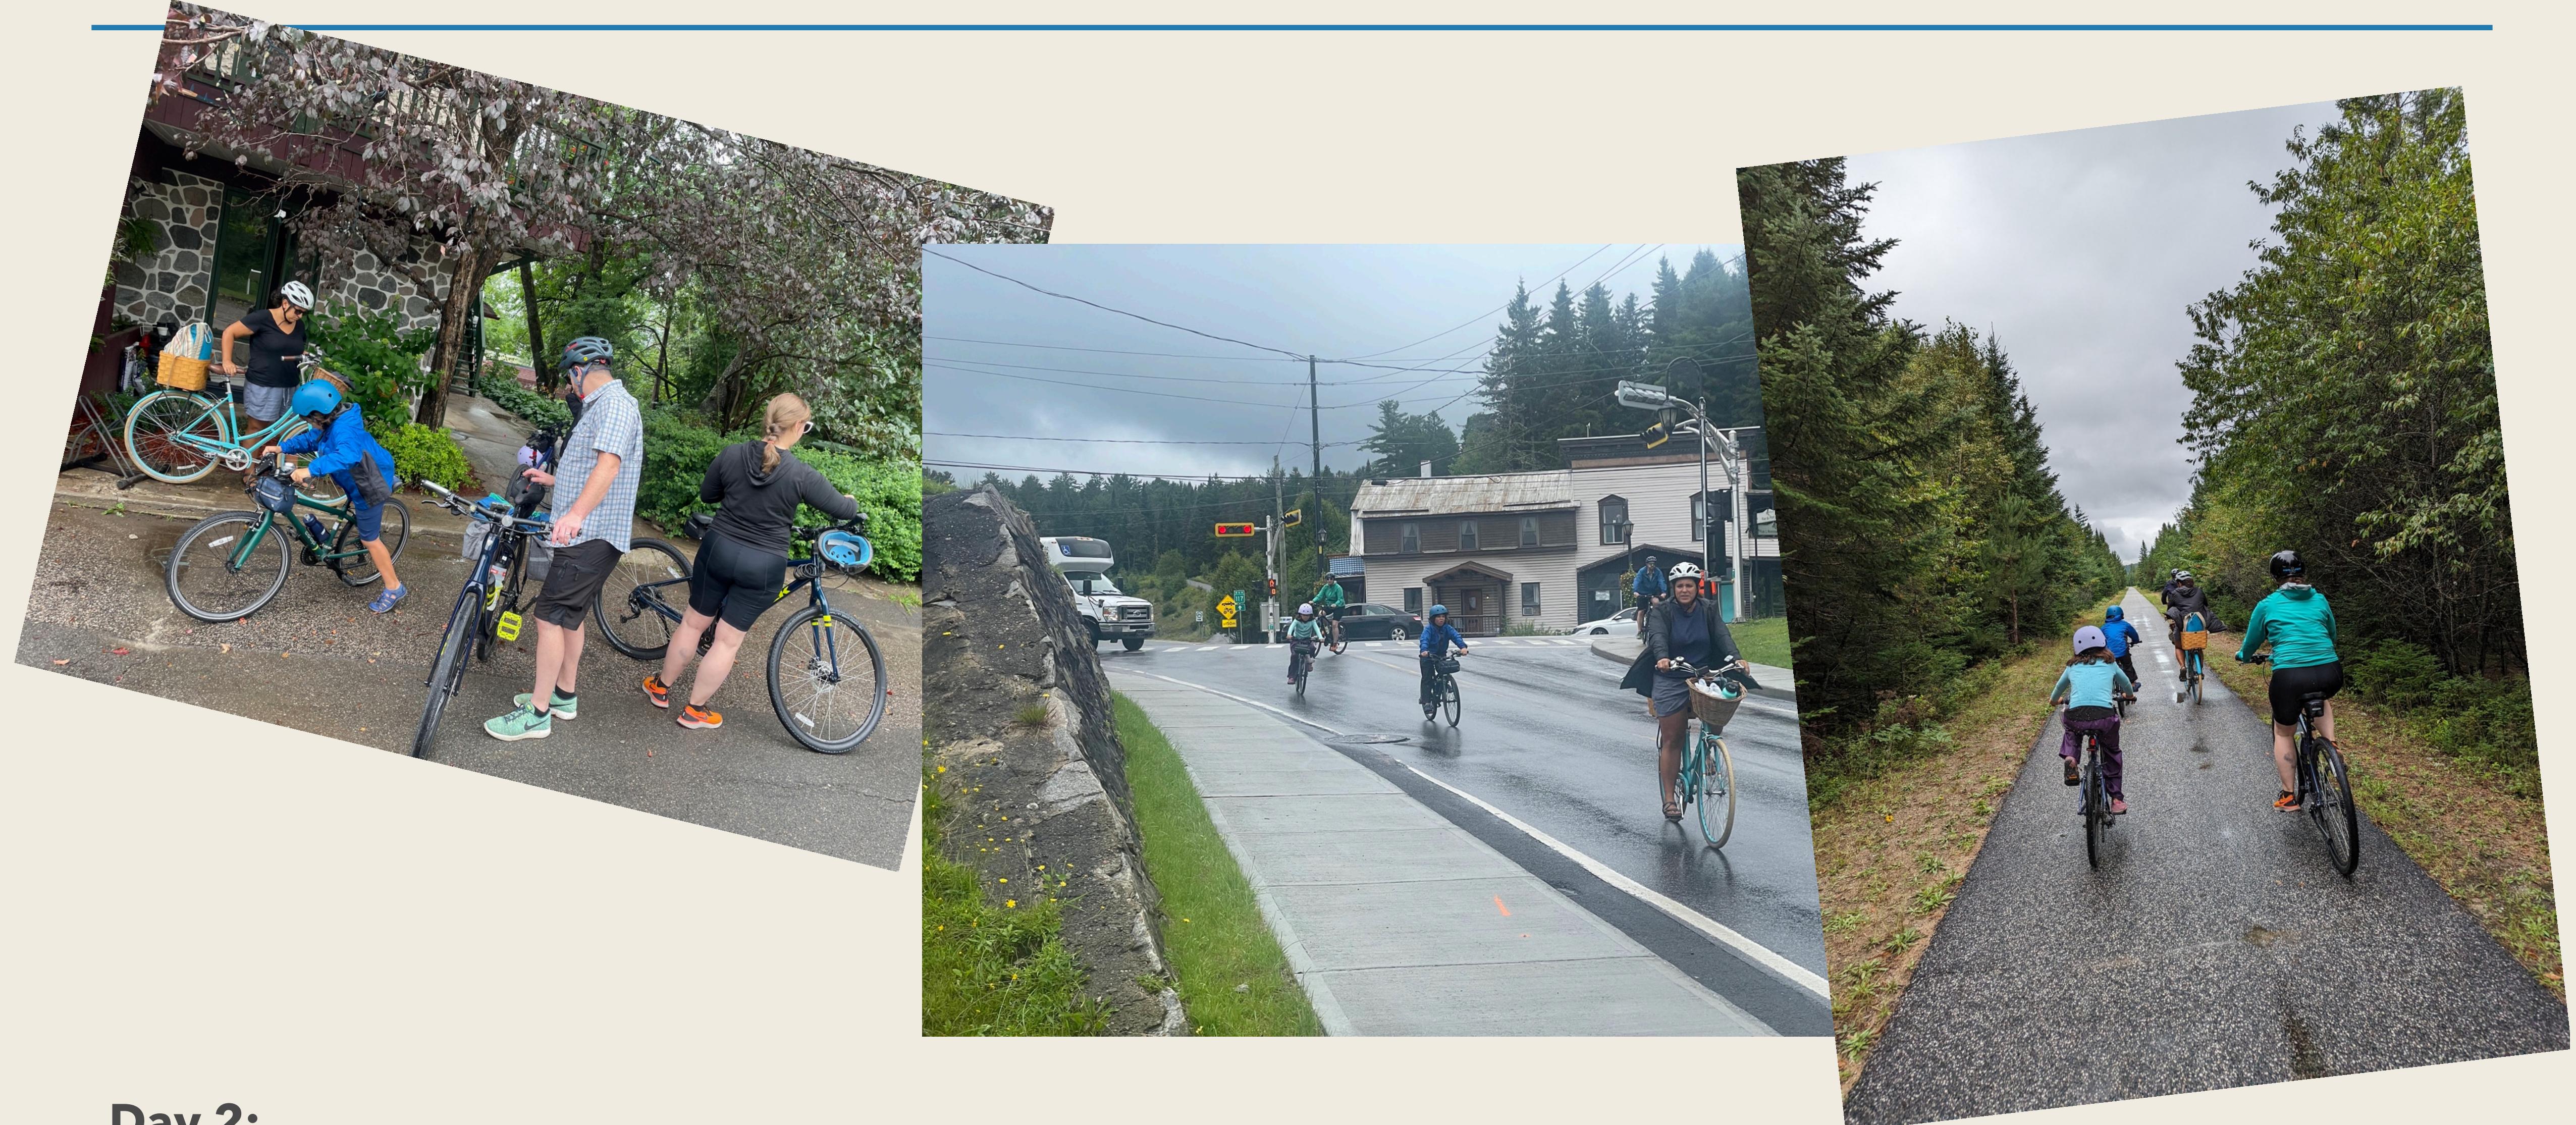

Start point! **200 kilometers** (125 miles) to go!

## Day 1:

We got dropped off. Bike 36 miles, a little rain, all restaurants closed, inside-out pizza ball for dinner.

## Day 2:

32 miles, lots of rain, dinner in Mont Tremblant (ski resort).

## Day 3:

Easy day, started off with fun activities in Mont Tremblant, 10.5 miles, playing cards in the evening.

## Day 4:

Thought this would be easy! But: detour! It was our hardest day! 30 miles, huge hills, heavy thunderstorm.

## Day 5:

Last day! 20 miles, great sunny day, and the big finish!
